Parent Teacher and Friends Association

The Parent Teacher and Friends Association, a registered charity, has been in existence for many years and works hard to support the staff and the students. The PTFA is very active and successful at raising money for the school in increasingly difficult times. Fundraising activities include:

- Running a disco for Years 7 - 9 pupils from the three Grammar schools at a local night club.
- A Numbers Club. Parents, pupils and staff are invited to buy numbers. Each term a draw is held and half the proceeds go back to the winners in cash prizes.
- Christmas Raffles.
- Coach trips, quiz nights and more.

In the last financial year we have been able to donate several thousands of pounds to buy, amongst other things, fantastic on line resources which will benefit all our children and their teachers.

There is a small but active committee comprising a Chair, Secretary, and Treasurer amongst others. Meetings are held twice a term in the evening at 7.00pm in the 6th Form Centre, and last about an hour. These meetings are open to all parents and new faces are very

- UPDATE CONTACT INFORMATION

Click log in and you will be presented with a box that says authentication required. Enter your username from the letter you received and the password you will have received by email. Please note that the password must be entered **exactly as shown** including any Capital letters and special characters (such as % ! \$ etc)

This is a temporary password and you will be taken straight to the "Password Update Facility" the first time you log in.

Password update facility

for Sims Learning Gateway

Your password has expired. You can change it now.

Username - e.g. GBjsmith

Old password

New password - Must comply with the **DCC Password Policy**

Confirm new password

DCC Password Policy

Please pay particular attention to the **DCC Password Policy**, details of which can be found on the password update page, when choosing a password for your Learning Gateway account. Your password **must** meet the policy security

rules. You will be asked to re-enter a suitable password and will be unable to continue until you have chosen a password that complies with the password policy.

Set up a security question

When you log in for the first time you will see the following message box advising you to set up a security question. We strongly recommend you follow these steps. You must have a security question set up to allow you to reset your password should you need to.

Click the "My Account Page" link on the message box, and fill in your choice of security question and answer. Save the changes before exiting the My Account page.

Once logged in to the Learning Gateway there are a range of things you can access. You will find a number of items/links on the left hand menu of the page.

Help documents - Advice and tips on using the Learning Gateway.

My account page - View your details e.g. address and telephone number.*
Create you security question (Recommended)

School details page - view information about the school e.g. contact details.

My Children Dashboard - View information about your child/children e.g. attendance, behaviour and progress.

* If any of your contact details need to be updated please contact the school office. It is essential for administering SIMS Learning Gateway access that we hold a current email address for you.

If you have any issues or queries regarding the Learning Gateway please contact the SLG Administrator via the school office on: dhsq@dhsq.co.uk.
