Sixth form admission arrangements

The Governing body of Devonport High School for Girls is the admission authority for Devonport High School for Girls. Devonport High School for Girls will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/publications/school-admissions-code--2.

The admission arrangements outlined within this document apply to Devonport High School for Girls, which is an academy grammar school in Plymouth in the 2021/2022 academic year. This policy should be read in conjunction with the Secondary and In-Year Coordinated schemes of admission available at www.plymouth.gov.uk/schooladmissions.

SECTION I

Secondary admissions (normal point of entry at Year 7)

The admission arrangements outlined in this section apply to children starting Year 7 for the first time in 2021/2022. The published admission number (PAN) for this year group is 120. The closing date for applications is 31 October 2020. Allocation results will be notified on 1 March 2021. Devonport High School for Girls follows Plymouth City Council's coordinated secondary admissions scheme available at www.plymouth.gov.uk/schooladmissions.

Admission to the school is on the basis of selection by reference to ability. Only candidates who attain the required standard in the prescribed arrangements for selection are eligible to be considered for admission to the school. The prescribed arrangements involve candidates' participation in the 11-plus examination. Parents/carers are required to register their child to take the examination. Normally, only those pupils who complete the registration and sit the examination at the published date will be included in the allocations for 1 March 2021.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to their home local authority;
- (ii) In addition, applicants in receipt of free school meals pupil premium or Ever 6 FSM⁴ should complete the free school meals pupil premium or Ever 6 FSM supplementary information form and return it direct to the School Admissions Team, Plymouth City Council¹. If the evidence is not received, the candidate will not be accepted as meeting the criteria for eligibility of that entitlement.

Children with an Education, Health and Care Plan (EHCP) that names the school will be admitted first subject to them achieving the cut off score or above for the school for this year of entry.

Where the number of applications for admission exceeds the number of places available at the school, places are offered in the following order of:

1. Looked after and previously looked after children² who achieve a score equal to or higher than the adjusted cut off score for this school, by rank order of highest score in the 11-plus examination;
2. Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted³ who achieve a score equal to or higher than the adjusted cut off score for this school, by rank order of highest score in the 11-plus examination;
3. Up to 12 places will be allocated to candidates who achieve a score equal to or higher than the adjusted cut off score for this school, by rank order of highest score in the 11-plus examination and who qualify for the free school meals pupil premium or Ever 6 FSM⁴;
4. Other candidates by rank order of highest score in the 11-plus examination.

NOTES:

Adjusted cut off score: The adjusted cut off score is two points below the score attained by the 120th* child who applied for this school (in score order) at the start of the allocation procedure (normally the end of January).

*The figure of 120 is based on the school's PAN. The school may decide to admit above this number, in which case we will amend the 120 to the altered admission number.

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth but a parent/carer may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's/carer's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the head teacher of the school(s) concerned. Parents/carers must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different year group but a place is offered in the school, there will be no right of appeal.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Children who appear to have been in state care outside of England³: Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Cut off score: The cut off score is the score attained by the last candidate allocated to the school under oversubscription criteria 4 above.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent/carer has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Schools have been advised by Plymouth City Council¹ to ask parents/carers to provide proof of residence (for example utility bills) before admitting a pupil. Plymouth Local Authority¹ (LA) will also carry out checks as appropriate. A pupil's home address is defined as the address at which the pupil is normally resident or, where a pupil lives at more than one address, the address at which the pupil lives for the majority of the time. Where the home address is unclear, the admission authority will determine the appropriate address taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Looked after and previously looked after children²: A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

Pupil premium via eligibility for free school meals⁴: This means pupils recorded in the January school census who are known to have been eligible for free school meals (FSM) at any point in the last six years (known as Ever 6 FSM) and those currently in receipt of free school meals.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else. Parent/carers declining the offer of a place should notify the educational arrangements they plan to provide for their child. Response must be made to Plymouth City Council¹.

Tie-break: Should it prove necessary to distinguish between candidates with identical aggregate scores, the following criteria apply in order of priority:

- a. Pupils who qualify for the free school meals pupil premium or Ever 6 FSM⁴
- b. Pupils whose home address is nearest the preferred school. Measurements are taken by a straight line on a map using the Council's electronic mapping system¹ – the shorter the distance the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location.
- c. In the event of there still being a tie, there will be a random ballot using an electronic random number generator. Such a ballot will be supervised by an officer of Plymouth City Council¹.

Waiting lists: Candidates not allocated a place will automatically be placed on a waiting list which will be ranked according to the published admission criteria. Those on a waiting list and late applicants will be treated equally and placed on the same list. The waiting list will be maintained up until the end of the summer holiday 2021. Should a vacancy become available, the place will be offered to the next pupil on the list.

From 1 September 2021, the in-year admissions criteria will apply and parents/carers will be invited to join the in-year waiting list if they are eligible to do so. Only candidates whose 11-plus score is not more than two marks below the cut off score for Devonport High School for Girls will be invited to join the in-year waiting list. Parents/carers will be required to renew their intent to remain on the waiting list, usually in the autumn, spring and summer. If the Council¹ does not receive a form within the specified timescale, the candidate's name will be removed from the waiting list.

¹ At the time of determination, Devonport High School for Girls purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

² A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

³ Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

⁴ This means pupils recorded in the January school census who are known to have been eligible for free school meals (FSM) at any point in the last six years (known as Ever 6 FSM) and those currently in receipt of free school meals.

SECTION 2

In-Year admissions (admissions outside the normal point of entry)

The admission arrangements outlined within this section apply to in-year admissions for Devonport High School for Girls which is an academy grammar school in the 2021/2022 academic year.

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission to Year 7 made after the normal round of admissions – after 31 August 2021 – and requests for places in other year groups should be made direct to Plymouth City Council¹.

Pupils seeking admission to a grammar school are required to qualify for a place under the Council's late selection procedure. Pupils who wish to be considered for such a vacancy will need to be assessed as being of grammar school ability. In most cases, this will involve participation in the late selection test procedure which involves participation in an examination. Further details are available from the School Admissions Team. Pupils who are judged to be of grammar school ability but for whom a place is not available may join a waiting list for a place.

With the exception of a pupil with an Education, Health and Care Plan (EHCP), all applications will be considered under Plymouth City Council's Fair Access Protocol.

Application should be made via Plymouth City Council¹ at www.plymouth.gov.uk/schooladmissions. Devonport High School for Girls follows Plymouth City Council's local coordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from and returnable to Plymouth City Council¹;
- (ii) In addition, applicants applying under oversubscription criteria 2.2 below must complete the exceptional medical or social grounds supplementary information form and return it direct to the School Admissions Team, Plymouth City Council. If the evidence is not received, the candidate will not be accepted as meeting the criteria for eligibility of that entitlement;
- (iii) In addition, applicants applying under oversubscription criteria 3 below should complete the free schools meal pupil premium or Ever 6 FSM² supplementary information form and return it direct to the School Admissions Team, Plymouth City Council¹. If the evidence is not received, the candidate will not be accepted as meeting the criteria for eligibility of that entitlement;
- (iv) In addition, applicants applying under oversubscription criteria 5 should complete the staff supplementary information form. If the evidence is not received, the candidate will not be accepted as meeting this criteria.

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. Offers should be made within twenty school days of the application submission date.

A qualifying pupil with an EHCP which names the school will be admitted to the school.

In the event that the School is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority where the applicant has qualified for a place:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. **Children with exceptional medical or social need.** This category includes:
 - 2.1 Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
 - 2.2 Other children with an exceptional medical or social need for a place at this school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. The need must be specific to this school: a child may have very challenging circumstances that require additional support but if that support could be provided at another school, there would be no exceptional need to attend this school. The exceptional need could be due to the parent/carer's circumstances. Evidence provided can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis. Without satisfactory supporting evidence, we will not prioritise an application as demonstrating exceptional need. It is not expected that a parent/carer would seek a claim under exceptional medical or social need for a school that is not the first ranked preference school.

Exceptional medical or social need could include, for example:

 - a serious medical condition, which can be supported by medical evidence
 - a significant caring role for the child which can be supported by evidence from social services;

Exceptional need for admission here will not be accepted on the grounds that:

 - a child may be separated from a friendship group;
 - parents/carers wish to avoid a child from the current or previous setting;
 - transport arrangements would have to be changed;
 - the child has a particular interest or ability in a subject or activity.
3. **Children who qualify for the free school meals pupil premium or Ever 6 FSM.** This means pupils recorded in the January school census who are known to have been eligible for Free School Meals (FSM) at any point in the last six years (known as Ever 6 FSM) or who are currently in receipt of free school meals.

4. **Children with a sibling already attending this school at the time of admission.** Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters;
5. **Children whose parent/carer is a member of staff employed on a permanent contract at this school** for two or more years at the time at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage evidenced by completion of the staff supplementary information form. (This covers staff working at the school to which the application relates but does not include staff who work on the school site for other employers);
6. **Other children** not shown in a higher oversubscription criteria.

NOTES - where an applicant has qualified for a place:

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth but a parent/carer may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's/carer's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the head teacher of the school(s) concerned. Parents/carers must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different year group but a place is offered in the school, there will be no right of appeal.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fair Access: All applications will be considered under the LA Fair Access Protocol.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent/carer has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Oversubscribed schools are advised to ask parents/carers to provide proof of residence (for example utility bills) before admitting the pupil. Plymouth Local Authority¹ (LA) will also carry out checks as appropriate. A pupil's home address is defined as the address at which the pupil is normally resident or, where a pupil lives at more than one address, the address at which the pupil lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address

taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all pupils of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all pupils within that multiple birth, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by an officer of Plymouth City Council¹ by the operation of an electronic random number generator.

Tie-breaker: Where we have to choose between two or more pupils in the same category as each other, then the nearer to the school the pupil lives – as measured by a straight line on the map using Plymouth City Council's¹ electronic mapping system - the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location.

In the event of there still being a tie, there will be a random ballot using an electronic random number generator. Such a ballot will be supervised by an officer of Plymouth City Council¹.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else. Parent/carers declining the offer of a place should notify the educational arrangements they plan to provide for their child. Response must be made to Plymouth City Council¹.

Waiting lists: Where a place is not available, pupils who are judged to be of grammar school ability or whose score in the 11-plus procedure was within two points of the cut-off score for entry to Year 7 in the relevant year of admission will be added to a waiting list for a place. As part of the allocation response, parents/carers will be asked to confirm the wish to remain on the waiting list(s). Parents/carers will be required to renew their intent to remain on the waiting list(s), usually in the autumn, spring and summer. Failure to confirm the wish to remain on the waiting list(s) will lead to removal from the list(s). Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria. Any vacancies that arise will be allocated to the pupil at the top of the waiting list.

¹ At the time of determination, Devonport High School for Girls purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

² This means pupils recorded in the January school census who are known to have been eligible for free school meals (FSM) at any point in the last six years (known as Ever 6 FSM) and those currently in receipt of free school meals.

SECTION 4

Devonport High School for Girls Sixth Form admission arrangements

The admission arrangements outlined within this document apply to admissions to Devonport High School for Girls Sixth Form in the 2021/2022 academic year. The arrangements apply to students transferring from Year 11 in a secondary school to Year 12 in a secondary school.

Where a school operates a Sixth Form, students are normally accepted from other school bases as long as the school has capacity and the applicant meets the relevant admission criteria. Each school will have a different application timetable and number of places to offer. Applications should be made direct to the school.

The number of students who have applied for each course will need to be taken into account, meaning that extra students can sometimes be accommodated over the admission number if the student's chosen course is not full.

The admission arrangements apply equally to those seeking admission from year 11 within the school to those seeking transfer from other schools. All those seeking admission to Year 12 must achieve the necessary grades for access onto the courses they have chosen.

A student with an Education, Health and Care Plan which names the school will be admitted subject to achieving the necessary grades for access onto the courses they have chosen.

Any student refused the offer of a place in Year 12 has the right of appeal to an independent appeals panel.

Where the number of eligible external applicants for a course of study exceeds the places available then admission will be determined in accordance with the following priority of admission criteria:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. **Children with exceptional medical or social need.** This category includes:
 - 2.1 Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
 - 2.2 Other children with an exceptional medical or social need for a place at this school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. The need must be specific to this school: a child may have very challenging circumstances that require additional support but if that support could be provided at another school, there would be no exceptional need to attend this school. The exceptional need could be due to the parent/carer's circumstances. Evidence provided can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis. Without satisfactory supporting evidence, we will not prioritise an application as demonstrating exceptional need. It is not expected that a parent/carer

would seek a claim under exceptional medical or social need for a school that is not the first ranked preference school.

Exceptional medical or social need could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

Exceptional need for admission here will not be accepted on the grounds that:

- a child may be separated from a friendship group;
- parents/carers wish to avoid a child from the current or previous setting;
- transport arrangements would have to be changed;
- the child has a particular interest or ability in a subject or activity.

3. **Children with a sibling already attending this school at the time of admission.** Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters.

4. **Other children** not shown in a higher oversubscription criteria.

NOTES:

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent/carer has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, allocated places may be withdrawn, as appropriate. Schools have been advised by Plymouth City Council¹ to ask parents/carers to provide proof of residence (for example utility bills) before admitting a student. Plymouth Local Authority¹ (LA) will also carry out checks as appropriate. A student's home address is defined as the address at which the student is normally resident or, where a student lives at more than one address, the address at which the student lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth

together. Where the admission criteria is applied and it is not possible to offer places to all students of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all students within that multiple birth, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by the Chair of Governors in the presence of the Head Teacher by the operation of an electronic random number generator.

Tie-breaker: where we have to choose between two or more students in the same category as each other, then the nearer to the school the student lives - as measured by a straight line on the map using the City Council's¹ electronic mapping system - the higher the priority. Measurement points will be from Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. If the tie-breaker is not sufficient to distinguish between applicants in a particular category, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by an officer of Plymouth City Council¹ by the operation of an electronic random number generator.
