

# DEVONPORT HIGH SCHOOL FOR GIRLS

***A SPECIALIST LANGUAGE COLLEGE***

Friday 3<sup>rd</sup> April 2020

Dear Parents / Carers and Students,

I hope the students have managed to read the Weekly Updates from either Dr Parry or Mr Lamb which are being sent out to Years 7-11 students and Years 12/13 students every Friday. I hope they are enjoying trying out new hobbies, taking time to read and look at the ever increasing variety of new sources being made available on line by numerous providers from theatre performances, virtual tours, wildlife etc.

We are still awaiting further information from Ofqual/ DfE on how they are going to deal with the situation relating to cancelled Summer examinations and awarding of grades. It may be that you will read information in the media before we receive any official documentation.

We will notify you when we have received new information and will signpost any documents from the DfE. Please be reassured that we will conduct the process in a professional student-centred manner and will follow Ofqual / examination board directions.

In the mean time you may find the Q & A document published previously by the DfE useful.
